First Friends Drawing 1

Mondays September 15 -November10 (class will meet October 13)

5:30-6:30 pm

Lori Burns, Instructor

Welcome parents, grandparents, and guardians. Thank you for giving your child this opportunity to take this class and delve into the world of Art! Let me first start by telling you a little bit about myself; I have been passionate about drawing since I can remember. I've studied Art throughout grade school, high school, and college. I am currently learning Digital Art. I'm so excited to be able to teach this class for the fall and looking forward to meeting everyone!!

For this session, I'm going to be focusing on three fundamental Elements of Art; Line, Shape and Color Theory. Since the theory of color is so in depth, I will only be covering a small part of the theory. These three elements are a basic foundation to exploring other areas of Art. I will have worksheets for those that display more advanced skills and if time allows separate projects.

Supplies needed:

Drawing Pad 18"x24"

Fine & Broad Tip Markers in assorted colors, including black

Pencils and eraser and pencil sharpener

8"x11.5" printer paper (for class work)

Portfolio for pad and large papers

Folder to hold printer paper

I will have two assistants, Rose Love and Payton Gonzalez . Rose will be teaching devotional and Payton will lead them in a short physical break. Both will help with ensuring your child's needs are met.

Each session we have a scripture memory verse and once the verse is memorized your child will be given the opportunity to recite the verse to me and be rewarded with a small prize.

This session's memory verse is:

1 *Shout for joy to the Lord, all the earth. 2 Worship the Lord with gladness; Come before him with joyful songs.*

Psalm 100

Looking forward to bringing an educational and fun experience for your child!
