### **Parent letter**

Welcome parents, grandparents and guardians,

My name is Lori Burns and I'm so excited to be teaching and meeting your children this winter session.

My background includes: two years of high school art courses, one year of college art courses, and a B.A. in Education. I've been drawing since I can remember, and Art has always been a passion of mine.

This winter session, I will be teaching art elements; lines, shapes, and some color theory. I will also be teaching patterns and towards the end of the session introduce them to oil pastels via a fun lesson.

During each hourly session, there will be an interactive video where the students can have a physical break.

Included in each session will be a devotional which applies scripture to everyday life.

I will have two assistants this session; Dan Tullius, who has a background in Art and Tim Tolin, who has grandchildren in the classes.

During the eight weeks your child will have the opportunity to memorize a verse of scripture and receive a small prize.

#### **Galatians 5: 22-23**

But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things, there is no law.

I'm looking forward to meeting everyone!
